“Earnestly Desire the Spiritual Gifts” - for reflection & discussion:

- a. Name one of your favourite worship songs or hymns. What makes it meaningful to you?
- b. Read John 4:23-24. What is meant by Jesus' words: “worship the Father in spirit and in truth”? How may we do this during a church Service, church gathering, at work, or, at home?
- c. 1 Corinthians 14 is about using spiritual gifts in the context of a Christian gathering. See v19, 23 & 26. Principle no. 1 is to use our gifts so that people can understand what we say or do, v6-12. Give some examples on how we may ensure we do that. E.g., speak in a language that people can understand; or get an interpreter.
- d. Principle no. 2 is to use our gifts to build up the people, and not just to have a personal experience, v5, 12 & 17. How may we do this at a worship Service? A home cell meeting? Give some examples.
- e. Principle no. 3 is to use our gifts to help one another worship God fully, v14-15. St. Paul speaks about praying and singing with both the spirit (emotion) and the mind (understanding). Why both are important in Christian worship? What might be missing if we focus only on one of them.
- f. What is one thing you could do differently at the next gathering?

FOR PRAYER

Our Beloved Region

- pray for a relief from the haze problem that has affected the health of many people and disrupted their daily life and activities.

Our Beloved Diocese

- pray for the ADOS-East; for Bishop Melter, clergy and the many congregations they pastor. Pray that many leaders will be raised among them to lead and serve the community and nation.

Ourselves

- pray that we may use our gifts to build one another up whenever we gather – in the cell groups or in public worship.
 - pray for the sick in body, mind and spirit; and for our 5 special friends. Name them in our prayer.
